

Any removal or alterations of components in the exhaust system, including engine modifications, may enhance performance and increase the sound output. However, it is important to note that such modifications render this exhaust system non-compliant with homologation-enforced regulations.

Jede Entfernung oder Veränderung von Komponenten im Abgassystem, einschließlich Motoranpassungen, kann die Leistung verbessern und die Lautstärke erhöhen. Es ist jedoch wichtig zu beachten, dass solche Modifikationen dazu führen, dass dieses Abgassystem nicht den homologationsbedingten Vorschriften entspricht.

Toute suppression ou modification des composants du système d'échappement, y compris les modifications du moteur, peut améliorer les performances et augmenter le niveau sonore. Cependant, il est important de noter que de telles modifications rendent ce système d'échappement non conforme aux réglementations imposées par l'homologation.

Qualsiasi rimozione o modifica dei componenti del sistema di scarico, comprese le modifiche al motore, può migliorare le prestazioni e aumentare l'emissione sonora. Tuttavia, è importante notare che tali modifiche rendono questo sistema di scarico non conforme alle normative imposte

EU-TYPE APPROVAL CERTIFICATE

The replacement exhaust system of type listed in the next page, produced by Zard S.r.l. for Malparados Sàrl (MPRDS), is complying with the EC-Directive, "Permissible sound level and exhaust system for two or three-wheel motor vehicles". The following versions of this replacement exhaust system can be fitted on vehicles shown in the following list.

MPPDS (Mipardos) Exhaust are designed in Switzerland by the owners of the brand founded in 2019 in the Swiss Jura. The design of the exhaust is shaped with a racing performance mindset which translates in a raw look of the exhaust with defined geometries and visible welds on the seated versions but as well easy to install and functional. The development and production is realized in Zard, in Italy, where highly qualified engineers and experienced welders, guarantee that each MPPDS Exhaust is realized with high attention to each detail in pipebending, laser cutting and manual fit welding to deliver high quality and craftsmanship. The collaboration with Zard R&D department further allows each MPPDS Exhaust to perform enhanced by a deep bass racing tone giving the pleasure to ride street legal.

the approval of the exhaust systems.

The Ministry of Transport has officially approved MALPARIDOS Sàrl to the production of exhaust systems with a valid approval across the UE territory. The document certifies that this exhaust kit complies in full with the European road approval regulations.

MALPARIDOS Sàrl remains available to provide further information and technical specifications related to this exhaust kit.
